GIPPSLAND SCIENCE EDUCATOR NETWORK

GIPPSLAND TECH SCHOOL

Gippsland Science Educators Network was established after consultation with Key Learning Domains (KLD's) across our partner schools. These discussions identified there was a need for an agency to take the lead in co-design, implementation, and facilitation of a network for science educators. In partnership with Federation University, the Gippsland Tech School has developed the framework for the network and both Support the co-ordination and management of the network.

Aims of the Gippsland Science Educator Network are:

- ◇ Connect teachers and industry to promote science education across Gippsland.
- ◇ Facilitate six to eight professional learning workshops, industry immersion experiences and shared curriculum opportunities for science teachers in Gippsland across each calendar year.
- ◇ Establish a shared e-learning platform for network members to access general information, professional learning workshops and opportunities to network with schools, industry and state-wide curriculum networks.
- ◇ Seek formal connections with the following groups:
 - » Chemistry Education Association (CEA)
 - » Science Teachers Association of Victoria (STAV)
 - » Victorian Curriculum and Assessment Authority (VCAA)
 - » Royal Australian Chemical Institute (RACI)
 - » Royal Society of Victoria (RSV)
 - » Food and Fibre Gippsland (FFG)
 - » Agriculture Victoria - Ellinbank Research Facility
 - » Federation University - Churchill campus
 - » In2Science - www.in2science.org.au
 - » Other local industry representatives
- ◇ Host events and activities across schools, industry, Federation University and the Gippsland Tech School to broaden the reach and influence of the network.
- ◇ Seek opportunities to include schools in all areas of Gippsland. Events will be hosted online or in outer Gippsland.
