GIPPSLAND TECH SCHOOL

Student Ambassadors will meet four to five times per year at the Gippsland Tech School to participate in STEM-based activities and to act as advocates for Tech School programs amongst student groups.

Work with the Tech School staff, community and industry partners to build student agency at the Tech School and develop technical and soft skills necessary for success as leaders in the future workforce.

As a Student Ambassador you will:

- ◆ Engage with a variety of technologies on-site at the Tech School
- ◆ Develop communication skills and contribute to the coordination of events for local communities
- ◆ Develop leadership capabilities including:
 - ⇒ Teamwork
 - ⇒ Communication
 - ⇒ Facilitation
 - ⇒ Collaboration
 - ⇒ Creativity
 - ⇒ Student led learning
- ◆ Network with students from other schools, industry partners and community groups

What's on offer:

- ◆ Develop teamwork, communication and leadership skills
- ◆ Planning and implementation of local events
- ◆ Access new technology and equipment (Makerspace)
- ◆ Catering will be provided for students as part of the Ambassador program
